Dear Joe,

You are invited to the upcoming Wisconsin Wildlife Federation District 4 dinner meeting. The meeting will be held at the **Central Wisconsin Sportsmen's Club** near Marshfield (*see enclosed map*) on **Wednesday, 20 February** with dinner at 6:30 and meeting at 7:15.

Our goal is to rebuild communication ties between local clubs and the Federation. The meeting will focus on a discussion of issues important to local clubs, a discussion of the issues the Federation is working on, and an election of a new WWF District 4 Director.

Your club's attendance at this meeting is a critically important component to our success! Please consider sending a couple of club representatives. What position those folks hold in the club isn't important, but their knowledge of club activities and issues is.

If you have contact with other conservation clubs in District 4 (**Marathon, Wood, Portage, Juneau, Adams, Taylor, Clark Counties**), please share this invitation with them, and their contact information with me. They do not need to be WWF member clubs! I greatly appreciate the help! Turn to the back of this invite to see what other clubs have been invited.

Please RSVP! Dinner and the meeting are **FREE**. We need to get a count to the caterer by February 15, so please call and let me know how many people will be coming before the 15th.

I look forward to seeing you on Wednesday, 20 February!

Sincerely,

Laura Huber
District 4 Director
WWF Treasurer
